

Our project PLAYGROUND campaign continues

THANK YOU to our community of supporters who made our dream of a new play structure a reality! It is wonderful to see our preschool and kindergarten children enjoying free play, exercise and developing their gross motor skills, balance and coordination on our new play structure. Our new play structure is a lasting gift that will always remind us that The Preschool Place and Kindergarten is strongly supported by its community!

The cost of removing our old structures and installing our new play structure is \$40,000. Our amazing community raised \$26,000 which enabled us to install our new play structure. We are continuing to raise money to fully fund this project as well as new projects to make our playground even better! We are excited that our community of supporters will continue to grow. We are extremely grateful for your ongoing support.

Any contribution will be greatly appreciated. Tribute tiles will be added to our donor recognition board for all new and additional donations of \$100 or more. A personalized tile is a meaningful way to create a lasting tribute while supporting project PLAYGROUND. Tile sponsorship levels are:

- Bronze...a minimum of \$100
- Silver.....a minimum of \$200
- Gold.....a minimum of \$250
- Platinum...\$500 +

To donate:

- Go to www.preschoolplace.com; click "DONATE"
- Or send a check to: The Preschool Place & Kindergarten at Temple Shalom, P.O. Box 6007, Bridgewater, N.J. 08807

Thank you to all our families and friends for supporting our wonderful preschool and kindergarten.
