

Your child is 2 and you'd like him/her to get some experience away from you, but...

Transitional Twos is the class for you!

A step-up from Someone Special & Me, this class will help get your child get used to being in a classroom without the presence of a “familiar adult.” There will be 2 experienced teachers in the room. You will remain in the classroom for the first few weeks to help your child become comfortable in the class and with the teachers. When your child is ready, you will be able to leave the room and relax in our library, talking with the others who brought in a child, free to peruse our Parent Resource Library. [There is internet access in that room.] In the classroom, children will engage in all kinds of activities and have a snack and circle time with their teachers. At 10:30 you will join your children in the playroom for some active play with our 2s.

- ✓ The class will be on **Friday mornings: 9:30- 10:45**
- ✓ Cost: **\$250 for 12 weeks**
- ✓ Class size will be limited to 6 children

What a wonderful way to prepare your child for preschool!
