Zumba® Kids Enrichment Classes

The Preschool Place & Kindergarten

September 28, October 5, 19, 26, November 2, 9, 16, 30

Wednesdays, 2:30-3:15 pm

\$120 for the eight class session

Zumba® Kids classes are rockin', high-energy dance groups packed with kid-friendly routines. We break down steps, play international, pop and hip hop music, dance and add cultural exploration elements into the class structure.

Zumba® helps develop a healthy lifestyle and incorporate fitness as a natural part of children's lives. Kids love rockin' music, and it allows them to move, improve coordination and fitness, all while having a lot of fun!

Please complete the attached registration form, and return with a check made out to VibeZ Dance Fitness, LLC, to school as soon as possible as the class may fill quickly! No refunds will be provided once the session begins.
