## Another session of Zumba® Kids Enrichment Classes!

### The Preschool Place & Kindergarten

May 4, 11, 18, 25, June 1, 8

Wednesdays, 2:30-3:15 pm

\$85 for the seven class session

The students have had such a great time during the first session, that we are continuing another session for this school year!

### **New songs, new dances, more fun!**

Whether your child has taken the class already, or would be new, they will step right in and enjoy! All dances are broken down into easy steps to follow. We will play international, pop and hip hop music, dance and add cultural exploration elements into the class structure.

Please complete the attached registration form, and return with a check made out to VibeZ Dance Fitness, LLC, to school as soon as possible as the class may fill quickly! No refunds will be provided once the session begins.
