

After-school Chinese Language Fall – 2017

Dear Parents of The Preschool Place & Kindergarten,

It's my pleasure to invite your child to join the Chinese Language Enrichment program. This is the 7th school year that I am offering this program at The Preschool Place and Kindergarten. Last year, we had a wonderful experience exploring the Chinese world in language and culture with the children.

My name is Cynthia Yu. I am a native Chinese speaker who holds a BA degree, New Jersey teacher certification and has more than 16 years of teaching experience. I have been teaching Chinese for the past few years in preschools, Chinese language schools & public school afterschool enrichment programs.

Why learn Chinese? According to surveys, the top reason is **“To be equipped for future opportunities!”** Familiarity with Chinese gives your child a powerful tool for the fast growing Global village. The most widely-spoken language on the planet, **Mandarin Chinese** is one of the principal languages of the future.

Our program will lead your child to explore one of the oldest languages on earth and have fun experiencing the fascinating culture. This carefully designed program and child-friendly curriculum will utilize games, songs, stories, books, art & crafts to teach young children from non-Mandarin/Chinese speaking families.

The 2017 Fall session will be held on **Fridays starting on October 20.** It will run 12 sessions. We will offer a **45 minute lesson from 2:30pm to 3:15pm.** If you're interested in joining us, please fill out the attached application form and hand it in to the school. If you have any questions, please contact the school or e-mail me at kidstalkinternational@yahoo.com
