

Chinese Language Enrichment Program

Dear Preschool Place and Kindergarten parents

January 19, 2018

新年快樂！ (xin nian kuai le). Happy New Year!

The Chinese Language– Winter/Spring Session will be continuing on Fridays in February! I look forward to lots of Chinese learning and fun. With the Chinese New Year coming soon, there'll be great excitement in the air! It's the year of the dog!

We will continue learning the basic words and sentence' patterns of Mandarin Chinese with great enthusiasm, including the greetings, good-bye, family members, numbers (1- 10 +), basic colors, our body parts, directions and etc. Our classroom is always full of action and fun. The children will learn several Chinese rhymes and songs. The progress of the children who already started is amazing!! I am so proud of them.

I would like to invite your child to join me for more Chinese language and culture fun in the next Winter/Spring Session. There are 12 more lessons. **All NEW students are welcome!!** With a carefully designed curriculum, children will start learning the language right away and without any gap problem. **Come and let's explore the most popular language of the World-Chinese together!** Any question, please contact me at kidstalkinternational@yahoo.com.
